IN MEMORIAM

In loving memory of G. C. "Pat" Godsey, who died 2 years ago June 18, 1976.

Wife and sons 6-15-1tp

In rememberance of my father, Everett W. (Pete) Martin, who passed away 5 years ago June 12, 1973.

Five years have passed since I last saw you, but your memory still lingers near. I know God is with you and I have no reason to fear, that someday in heaven we will be together there.

Your son, E. W. Jr. 6-15-1tp

IN MEMORIAM

JONES--In loving memory on Father's Day of my husband and our father, Brady Jones, Sr., who passed away on November 25, 1974.
Have you ever lost a loved one, Who was very dear to you,
One you loved so very much, And miss him like we do.
Have you ever had a heartache, Or ever felt a pain,
Or ever shed those bitter tears, That drop like falling rain.
If you have never had the feeling,
We pray you never do,
For when God takes your father,
He takes part of you.

Loved and sadly missed, Wife and children 6-15-1tp

Local Student Begins Classes At Governor's School

Lynchburg, Va. - Teresa G. Lively, daughter of Mr. and Mrs. Frank S. Lively of Route 1, Box 86-a, Concord is one of 141 students who began classes Wednesday at the month-long Governor's School for the Gifted on the Randolph-Macon Woman's College campus in Lynchburg, Virginia. The School, which provides academic course work, recreational activities, and cultural enrichment for the selected students, is held annually in Virginia as part of the Special Programs for the Gifted. Mrs. Isabelle P. Rucker is the state director of the School, and Dr. Paul Irwin, R-MWC assistant professor of mathematics, is the local director.

On a typical day, a student in the Governor's School spends the morning attending class in one of the major courses being offered. These include a variety of topics such as Psychophysiology, Creative Writing, The American Presidency, and Computer Programming with FORTRAN IV. Following lunch, students attend one or more activity groups. These are less forman than the major courses, but are still designed to be a challenge for the participants. Some of the activity groups that are being offered include Pottery, Fiber Arts, Basic and Nature Photography, Codebreaking, Instrumental Ensemble, and Reasoning. The activity groups are followed by a recreation period, then supper. Evenings and weekends are devoted to special programs of speakers, films, dances, and outings.

Miss Lively, a student at Appomattox County High School, will be devoting the month to Psychophysiology and The Changing Face of Modern Art as major courses and Explorations into Self for an activity group.
